PROFESSIONAL SUMMARY

Frontend Developer motivated to learn and grow in the tech industry. Skilled in building modern, responsive, accessible, and scalable web applications using Next.js, React, TypeScript, and Tailwind CSS. Focused on delivering high-performance user interfaces with clean, maintainable code. Strong problem-solving skills, resilience, and creativity in overcoming challenges. Committed to Agile teamwork, clear communication, and continuous learning. Fluent in English with multicultural experience in Portugal and Ireland, enhancing collaboration in diverse, global environments.

TECH PROJECTS

SoloDev - [Live Demo](#)   *Jun 2025*

Built a centralized learning platform for tech students to access AI-generated summaries, exercises, documentation links, and educational videos all in one place to optimize the learning process.
Tech Stack: Next.js, TypeScript, Tailwind CSS, Clerk, Google Search, YouTube Data, and OpenAI APIs.

SkyWatch - [Live Demo](#)   *Mar 2025*

Created a weather app with real-time data from WeatherAPI and Geolocation API. Features include city search, °C/°F toggle, and favorite management.
Tech Stack: React.js, JavaScript, React Query, Zustand and CSS Modules.

codeHire - [Live Demo](#)   *Feb 2025*

Developed a responsive, accessible resume builder with real-time editing, best-practice tips, and PDF export. Implemented smooth navigation and data persistence.
Tech Stack: React.js, JavaScript, CSS, React Router, Context API and localStorage.

SKILLS

Next.js, React.js, JavaScript, TypeScript, Tailwind, CSS, HTML, Git, GitHub, Framer Motion, React Query, Vercel, Vite, Vitest, Jest, i18next, React Router, Webpack, Firebase, Axios, Clerk, Figma, LLMs.

OTHER RELEVANT WORK EXPERIENCE

Previous experience in customer service roles at Delta (Portugal, 2024) and Sephora (Brazil, 2023), focusing on communication, teamwork, problem-solving, and adaptability. Volunteered with NGO Alone (Ireland, 2020), supporting elderly people in vulnerable situations, which strengthened my empathy, social responsibility, and interpersonal skills. These roles developed my ability to work in fast-paced environments and reinforced my commitment to continuous learning.
